Job Aid for Applying to the All of Us Data Training and Engagement for Academic Libraries Program

Applications must be submitted, and all supplemental materials received by 11:59PM Eastern Standard Time on September 29, 2023.

Application Questions

Contact Information

1. Institution (college or university) name:

2. Name of applicant institutional library:
The applicant must be the institutional library. Multiple libraries from the same institution may apply jointly. Only one application per institution may be selected.

3. Name(s) of additional participating library(ies):

4. Name & contact information of the Program Administrator:
   Program Administrator - As part of the application process, each institution should designate one individual to be the All of Us Libraries Program Administrator for their campus(es). This person is encouraged to reside within a participating library and/or administrative position that can support key decision making regarding the Capacity Building Award. Program Administrator contacts can be changed or modified upon selection for the program.
   a. Name
   b. Title
   c. Department
   d. Email
   e. Phone
   f. Affiliation with the Library
5. Name & contact information of person completing application (if different than Program Administrator):
   a. Name
   b. Title
   c. Department
   d. Email
   e. Phone
   f. Affiliation with the Library

6. Please indicate the number of individuals expected to participate in the program from your institution:
   At minimum, one library worker from your institution must participate in the program, obtain access to the Researcher Workbench, and complete a Data User Code of Conduct (DUCC).

7. Please provide the contact information for the individuals designated in the previous question:
   a. Name
   b. Title
   c. Email Address

Eligibility Criteria
To be eligible for the Program, institutions must meet the following criteria:

- Be an **accredited U.S. Institution**
- Be a library within an institution with a historic and current commitment to, or track record of, educating underrepresented students.
  - NIH defines “Underrepresented Populations in the U.S. Biomedical, Clinical, Behavioral and Social Sciences Research Enterprise” in the Notice of NIH’s Interest in Diversity.
  - Institutions that have a track record of successfully training diverse researcher populations, including those at HBCUs (i.e., institutions described in section 4(b) of Executive Order 14041 (incorporating by reference the institutions listed in 34 C.F.R. 608.2)) and other minority-serving institutions, are also encouraged to apply.
Your institution or organization must have a Data Use and Registration Agreement (DURA) in place with All of Us or be willing to establish one with All of Us. Institutional DURA status can be confirmed on the All of Us Research Hub.

- If your institution or organization does not have a DURA, you may still apply. However, it will impact your eligibility to participate and receive funding if a DURA is not in place by March 2024.

1. Describe how your institution has a historic and current commitment to, or track record of, educating underrepresented students:

2. Is your institution currently receiving, or received in the past, funds from the NIH All of Us Research Program?
   a. Yes
   b. No

3. If you selected Yes in the previous question, describe in 1-2 sentences what activities All of Us has funded at your organization. Note: ORAU cannot fund activities already funded by All of Us.

4. Please indicate how you will provide your institution’s letter of commitment:
   A letter of commitment from the Director or Dean of your institutional library supporting program requirements and your participation in the training program is required. A signed uploaded letter on institutional letter head is preferred, however a formal email from an institutional email address with full signature block may also be accepted. Emailed letters should be directed to NLMAllofUs@orau.org.
   
   a. Letter will be sent via email
   b. Letter Attached to Application (upload on last page of application)

Scored Questions
Please indicate you understand the scoring criteria.

Responses to the following questions will be reviewed and assessed based on your explanation of the potential impact of the Program on your library and
a. I Understand

1. In one succinct paragraph, please explain the expected impact of this program on your library and library staff: (15 points)

2. In one succinct paragraph, please explain the expected impact of this program on your campus community, including students, administration, faculty, and/or researchers: (15 points)

3. In one succinct paragraph, please describe your library/campus community’s data readiness based on the following: (10 points)
   
   This program is intended to build capacity for data readiness at your institution. Institutions are not required to be data ready or to have these elements already in place. Applicants who feel they are not data ready are encouraged to apply and should describe their current state of readiness.

   • People: the expertise, receptivity, and commitment to using data among administrators, faculty, and staff.
   • Process: the interactions among people and guidelines necessary to ensure that data are shared widely, and processes are in place to produce information that the institution can use.
   • Data Management: storing and retrieving information and how information that is critical to the institution becomes transparent through data management.

4. In one succinct paragraph, please explain how this program will enhance your institution’s ability to train and support “Underrepresented Populations in the U.S. Biomedical, Clinical, Behavioral and Social Sciences Research Enterprise”: (10 points)
Start an application and/or create an account.
If you are new to PeerNet, select **REGISTER** to create an account. If you already have an account, select **LOG IN** and skip to the [Starting and Completing the Application](#) section.
Enter your institutional contact information.
You will see a prompt that instructs you to refer to your email for additional instructions. You will be given a link directing you to a PeerNet page to set (reset) your password.
Once you have set your password, you will be prompted to login.
Starting and Completing the Application

Select the **ENTER** button on the application’s active solicitation.

Select the **START APPLICATION** button.
Create a name for your application.
Answer contact information questions.
Click **SAVE SECTION #1** and use the **ARROW** to move to the next section.
Application Submission

Title: Application Example

Section 2: Eligibility

Question #1
To be eligible for the Program, institutions must meet the following criteria:

- Be an accredited U.S. Institution
- Be a library within an institution with a historic and current commitment to, or track record of, educating underrepresented students.
  - NIH defines “Underrepresented Populations in the U.S. Biomedical, Clinical, Behavioral and Social Sciences Research Enterprise” in the Notice of NIH's Interest in Diversity.
